To Whom It May Concern

Re Robert Erdei

Allmac Corporation hereby verifies that Mr. Robert Erdei was employed by our company as a Front Counter Technician during the summer of 2000. Robert exhibited a high degree of reliability and professionalism. His pleasant demeanor and "can-do" attitude was a definite asset to our company and fostered smooth relationships with customers and co-workers. In addition, he was technically competent and showed a keen understanding of the Macintosh computer family. We were very satisfied with his job performance and will hire him again if he is available. If you have any further questions, please call Abbi Vakil @ 408/562-3900 x340.

Yours sincerely

Abbi Vakil
