**To Whom It May Concern:**

**Robert Erdei has been an excellent addition to our staff during the summer months at the "Los Gatos Daily News". He was instrumental in meeting clients, taking photographs, interviewing clients and doing write-ups for our "Town Talk" and "Reader's Choice" sections during May-August 2005.**

**I would highly recommend him for any endeavor he so chooses to pursue as he is a diligent, self-motivated worker and creative writer and has a knack for picking up on new tasks quickly and efficiently.**

**Regards,**
