To Whom it May Concern:

I would like to recommend Robert Erdei for a clerk/sales position at Radio Shack. I have known Mr. Erdei for several years, when he worked for La Voz, the student newspaper of De Anza College and Insider Magazine. He held the positions of reporter, photographer, web editor and managing editor. In addition, he helped out when needed by staffing the front desk (answering phone calls, greeting visitors and administrative duties) and with technology problems.

Mr. Erdei is responsible, patient, helpful and friendly. At La Voz, he helped make new staff members and guests feel welcome, and often volunteered to help out with additional duties. Whenever I gave him a project, he followed through with it.

I feel he is especially suited for working at Radio Shack because he has quite a bit of technical expertise with computers and electronic equipment. If he ever didn't know an answer to a technical question of mine, he was happy to research it until he found an answer.

Please let me know if I can provide any more information.

Sincerely,

A handwritten signature in black ink that reads "Beth Grobman". The signature is written in a cursive, flowing style.
